

CANADA RENTALS

GENERAL TERMS AND CONDITIONS

(Updated October 2023)

- All prices are in **Canadian dollars**.
- A single, one-time \$200 preparation fee will apply to all rentals.
- Rush rentals with less than 48 hours notice may be subject to a \$200 rush fee.
- A cancellation fee of \$200 may be charged for cancellations with less than 48 hours notice.
- Taxes, shipping, and insurance, if applicable, are not included in the daily rental rate. All shipping charges incurred in the rental shall be the responsibility of the Customer.
- Daily rental charges begin on the day the equipment is received by the Customer, and generally end on the day it is shipped back to Lithogen, provided the Customer uses an expedited shipping option and there are no delays in transit.
- All rentals are conditional on equipment availability.
- All prices on this list are subject to change without notice.

PURCHASE DISCOUNT

Lithogen offers our rental clients a discount on the purchase of new geophysical products if purchased through us. The value of the discount is equal to 25% of the daily rental rate paid for renting the same or similar product within one year prior to the purchase. This discount applies to products manufactured by ABEM, Radiodetection, Schonstedt, Sensors and Software, Geometrics, and Geodevice.

ACADEMIC DISCOUNT

Lithogen offers academic discounts to qualified educational institutions on both instrument rentals and purchases. Please inquire for additional information.
